COMMENTS FROM THE PUBLIC

Debbie and Dale Wolfe are requesting permission to paint lines on the tennis court in order to play pickle ball. Mrs. Wolfe said if the request is denied they will continue to play on the court as is. Mrs. Wolfe explained the history of pickle ball and how it is played. She also stated there are courts in Lancaster County and one in Jonestown but nothing is close by in North Lebanon Township. She mentioned the court size is 20 by 44 feet. She showed the Board a picture of a court. Discussion followed. Question was asked if there were any other areas which could possibly be used to which Sheila replied there was an area at Long Lane which had been used for a basketball court. It was mentioned there is no fencing in this area which would result in the chasing of balls. Discussion followed. Sheila explained she would discuss it at the department head meeting tomorrow and see if it needed to go to the Board of Supervisors meeting. Either way, Sheila would contact the Wolfe's. The Park and Rec Board were all in agreement with the painting of the lines. Discussion continued.

New Business**Bid Award**

Sheila reported they received three bids for the relocation of the ball field and stormwater issue but they were all extremely high. There were differences in the bids with several addendums included in addition to the base bid. She did mention that the yardwaste expansion would be proceeding.

Oberholtzers, who own a dog grooming business, said they would like to install dog clean up stations. Sheila mentioned the Township sent a thank you note to the Lebanon Valley Chamber of Commerce.
